

Congress passed the federal Fair Housing Act, along with the Civil Rights Act in 1968.

Under the current federal Fair Housing Act, it is illegal for a housing provider to discriminate against anyone due to their race, color, national origin, religion, sex, disability, and familial status. Familial status refers to households with children, households seeking custody of children, or women who are pregnant.

Attention Coronado Haskell Neighbors!

Do you live within the Coronado Haskell Neighborhood and need assistance making repairs to your home?

OR

Do you need to make your home more accessible for a family member who is elderly or has a physical disability?

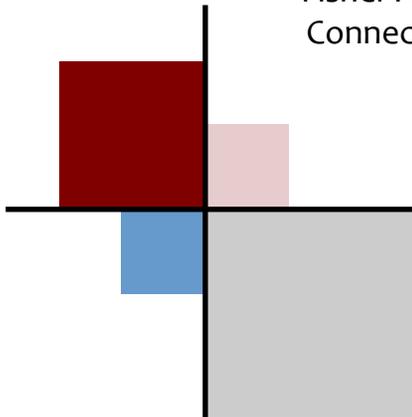

OR

Do you need work done to your home, but you do not have the equity to get a mortgage loan from the bank?

If you answered **yes** to **any** of these questions, help may be available.

The Coronado Haskell Housing Rehabilitation Program ensures your home meets the local code, including the following:

- ~ Electrical repairs
- ~ Mechanical repairs
- ~ Plumbing repairs
- ~ Exterior repairs
- ~ Accessibility Modifications
(for persons with physical disabilities)
- ~ Fisher Ave & Haskell Ave Sanitary Sewer Connection

Frequently Asked Questions

- Q How do I receive an application?
- A 1) Stop by City Hall - 2nd floor - Community & Economic Development Department, 2) call 779-348-7162 & ask to have an application mailed to you, or 3) go to www.rockfordil.gov:
⇒ Click on City Departments
⇒ Community and Economic Development
⇒ Neighborhood Development
⇒ Program Brochures and Forms in the blue box on the right side of the webpage
⇒ Focus Area Rehabilitation (the second item on the list).
- Q What is a forgivable mortgage loan?
- A The longer you stay in your home, the less you need to pay back. If you stay in your home for five (5) years after the work is completed and follow the terms of the loan, your loan balance is reduced to ZERO, and you owe nothing.
- Q What is household income and how does the City determine my household income ?
- A Household income is the combined income of everyone living in the home over the age of 18, projected out over the next year. Think of it as taking a snap shot of your gross monthly income as it is today and multiplying it by 12.
- Q What is household size?
- A Household size is the total number of people living in the home, regardless of age and relationship to the homeowner.
- Q Although I am not selling my house during the 5 year loan term, I have decided to move out. Therefore, I will not be living in the home as my primary residence like the program requires. What happens?
- A If you do not live in the home during the term of the forgivable loan, the amount not yet forgiven needs to be repaid.
