Group A Offenses are considered the most serious by the FBI and the Uniform Crime Reporting program.

All figures based on NIBRS data collection. In NIBRS reporting, up to 10 of the most serious offenses can be reported per incident. The clearance of an incident by an arrest or exceptional means clears all offenses within that incident.

Additional Department Activity includes other traffic offenses, accidents, information for Police, medical assist, service to other agencies, etc.

Statistics are preliminary and are subject to further revision.
